Accessing the RemoteAccess 2020 system

RemoteAccess 2020 is a multi-user, general purpose campus computer system designed to give you the ability to logon from anywhere to access your G: and H: drives along with other on-campus only resources such as Banner INB.

To use the RemoteAccess 2020 system:

Go to https://secure.providence.edu/

Use your Microsoft 365 logon credentials to authenticate.

Provide your M365 multi factor verification as you would need to do when checking your email.
